Get Out that Old Stocking!

Turn it wrong side out and put your money in the Bank or pay your debts! The Country's all right and the Banks, too. You are just helping to make times hard, making it necessary for manufacturers to shut down, throwing thousands out of employment. Think, \$190,000,000 withdrawn from the Banks and from Circulation. About as much as is spent for bread in a year. Aren't you ashamed of yourself—to get scared like a two-year-old! Get it out and be a Man.
